

# SK TRAVELS

Journey Of Success

## India's # 1 personal ground transportation service provider

A pioneer in shaping the personal ground transportation industry in India, SK Travels is India's # 1 personal ground transportation service provider today offering a complete bouquet of end-to-end long and short term car rental solutions through its fleet of 35 Cabs

We have operated since 2017 and being today the biggest operator with a fleet of 20 owned Cabs

SKT is perhaps the first and the only player to offer complete 360 degree solutions to completely transform the Indian personal ground transportation industry into an organized business. We operate 24 hours a day, 7 days a week, and 365 days a year in the city of Chennai, Bangalore & Hyderabad.

# Mission

SKT- Dream - to build an Institution, which will achieve customer loyalty through understanding ever-changing needs, deliver service quality and follow value for money approach.

To maintain and reinforce our position as a leading cab operator, through offering our customers a first class service, customer delight and 100% customer satisfaction.

Permanent improvement of our service quality, Provide pro-active service excellence, Make it easier for our clients, Deliver superior service that exceeds their expectations.

**To build an institution to achieve customer loyalty**
